Minutes of the meeting held on 20.01.2022

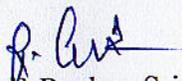

The meeting was called to sensitize faculty members for the second cycle of NAAC accreditation.

The following points/issues were discussed:

1. Greater emphasis should be on receiving grants from various agencies. Resource mobilization is important from government and non-govt. agencies.
2. Inter-disciplinary projects should be undertaken. Projects funded by NGOs can also be considered. Minor projects seeking small amounts can be undertaken at college level. A project on 'Contribution of Dr. Annie Besant' should be designed.
3. Capacity-building programs and workshops may be designed on research methodology, entrepreneurship, intellectual property rights.
4. Innovation in teaching-learning and transfer of knowledge should be encouraged. Dr. Garima Upadhyay and Dr. Anjulata may organize capacity-building program in March, 2022. Similarly, Research methodology workshop can be organized by Dept. of Sociology. A 2-day National/International seminar on intellectual property rights can be planned to be organized jointly by the depts. of Economics and Home science. The programs can be self-financed.
5. Suggestions were given for publication in care-listed journals. Link to access the journal in UGC care-list should be given in proper format and only articles published in care-listed journals shall be considered after June 2019.
6. It was discussed that any award conferred to faculty members will be considered only if given from Govt. or Govt.-recognised agencies. Faculty exchange should be properly certified with appropriate documentary proof.
7. More MOUs should be done. It will be appreciated if departments attempt to sign MOUs with organizations/Start-ups or NGOs.
8. Internship movements should be carefully documented.
9. It was suggested that Department and Committee reports be submitted to the Annual Report Writing Committee. Online Feedback Form should be circulated among exit level students to trace students' progression every year.
