

## **Feedback Analysis of parent teacher meets- 25.10.2024 (2024-25)**

The purpose of our college is to support students in pursuing their goals and becoming successful professionals by offering assistance in every way. Parent feedback enables the institute to assess the quality of the services it offers and improves its ability to serve children. The process of feedback analysis has resulted in a greater focus being placed on the necessity of parents' involvement in higher education.

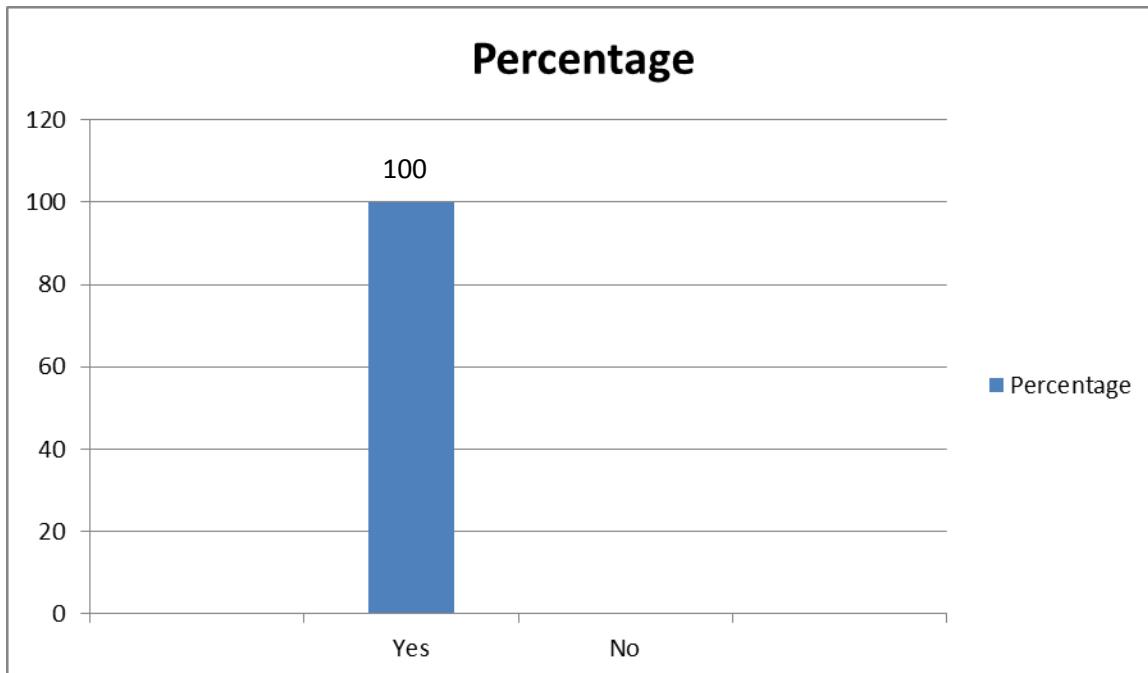

### **Satisfaction of the parents regarding student participation**

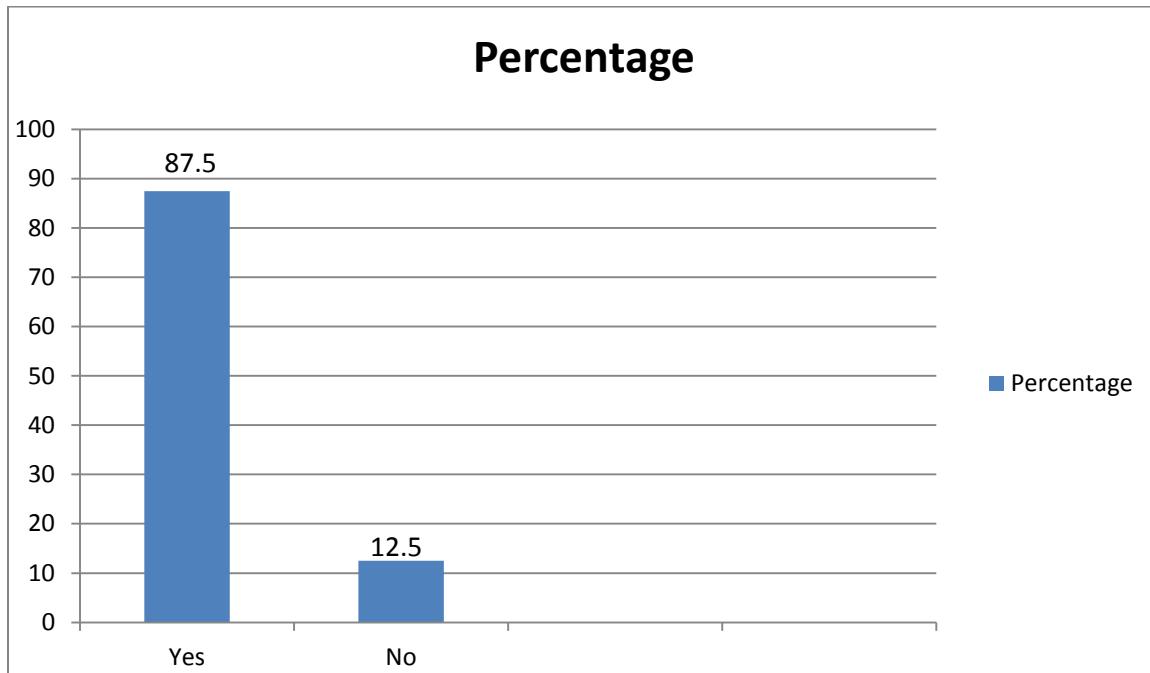

## **College's role towards all-round development of the student.**

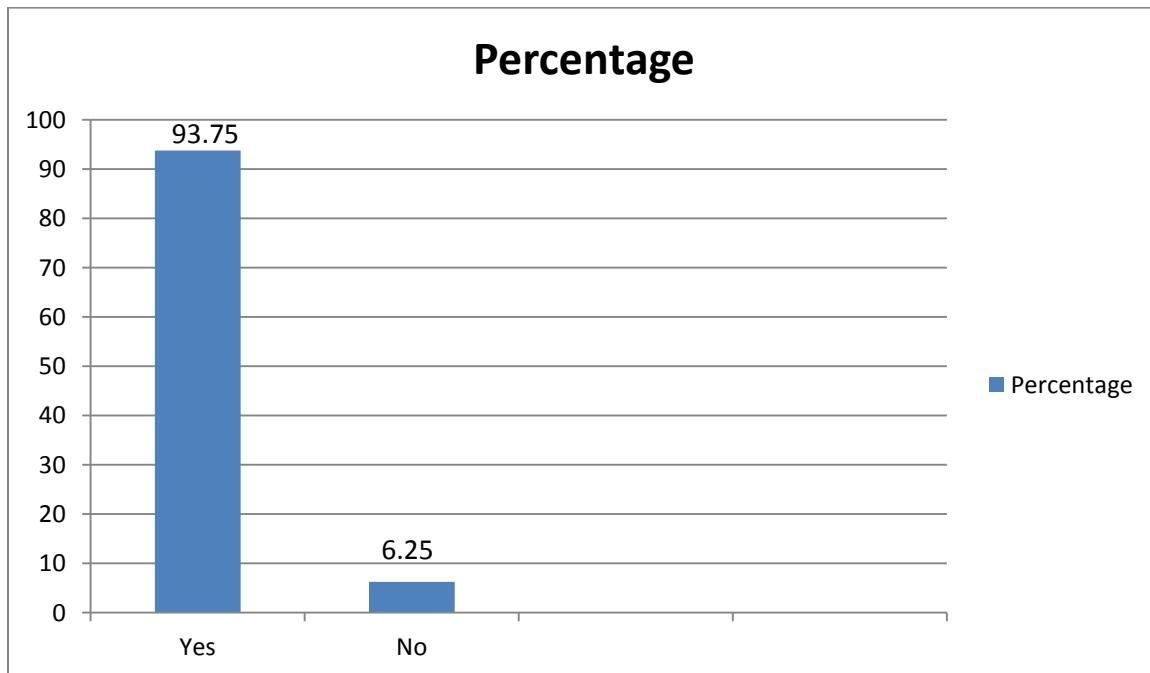

## **Participation of student in curricular and co-curricular activities.**
